

Hats On! For Mental Health

May 5, 2021

Hats On! For Mental Health

The Alberta Teachers' Association, the Alberta Division of the Canadian Mental Health Association and Global Television continue to promote the mental health of children and youth through the campaign "Healthy Minds, Bright Futures." As part of this campaign, May 5, 2021, has been designated Hats On! for Mental Health Day in Alberta's schools.

What hat will you be wearing?
